A History of the Present Illness takes readers into overlooked lives in the neighborhoods, hospitals, and nursing homes of San Francisco, offering a deeply humane and incisive portrait of health and illness in American today.

A History of the Present Illness: Stories: Aronson, Louise ...

In linguistics and rhetoric, the historical present or historic present, also called dramatic present or narrative present, is the employment of the present tense when narrating past events. It is widely used in writing about history in Latin and some modern European languages. In English, it is used above all in historical chronicles. It is also used in fiction, for "hot news", and in everyday conversation. In conversation, it is particularly common with quotative verbs such as ...
