Chapter 13 refers to a U.S. bankruptcy proceeding in which the debtor undertakes a reorganization of his or her finances under the supervision and approval of the courts. When an individual,...

Chapter 13

If you dismiss the Chapter 13 before your debt repayment plan begins, no money is exchanged, so there is no loss except the loss of your filing fee. Your debts will continue to be owed as they were before you filed for bankruptcy. However, if you have already started making payments, your creditors can keep any amounts you have already paid them.

If You File for Chapter 13 and Get Money From the Lottery ...

The Chapter 13 Repayment Plan. The central part of your Chapter 13 case is the repayment plan that you'll propose to your creditors and the court. Amongst other things, the plan must take into account each of your debts. You'll use either the official plan form or your court's local form, depending on where you file.

An Overview of Chapter 13 Bankruptcy | Nolo

You may file for a Chapter 13 plan repeatedly, although each filing appears on your credit record. Bankruptcy won't relieve you of your obligations to pay alimony and/or child support. Short of a court order from family court, nothing else will relieve you of your alimony and child support obligations.

Chapter 13 bankruptcy can provide filers the chance to restructure debt into a repayment plan that lasts up to five years. To qualify, you'll need monthly income, and your qualifying debt can't exceed certain limits. After filing, your credit will take a hit — but you'll get a chance to keep important assets like your home.

Chapter 13 Bankruptcy: Is it Right for You? | Credit Karma

In rare chapter 13 cases filed on or after March 27, 2020, the recovery rebate may be relevant to the confirmation standard contained in 11 U.S.C. § 1325(a)(4). For chapter 13 cases filed before March 27, 2020, the recovery rebate is excluded from that analysis because it would not have been available for payment to creditors in a chapter 7 case.
