The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories.

Design And Construction Of Urban

Urban design involves the arrangement and design of buildings, public spaces, transport systems, services, and amenities. Urban design is the process of giving form, shape, and character to groups of buildings, to whole neighborhoods, and the city. It is a framework that orders the elements into a network of streets, squares, and blocks.

Although the Covid pandemic has sapped life from urban cores, city planners say they won't change their approach to planning for these vital centers, according to researchers at the University of Waterloo in Canada. City living has been radically changed by the pandemic, but planners surveyed by the university expect a return to the "old normal."
