Our areas of focus include gender, ethnicity, LGBTI, religion, persons with disabilities and cross-cultural diversity. We strive to ensure that all our people are compensated fairly and equitably from the moment we hire them through the milestones of their careers here. When we see a disparity for any of our people, we fix it.

In every aspect of our community, Holy Cross champions diversity, equity and inclusion. As a Jesuit, Catholic liberal arts college, we know that the best way to understand the world around us is to embrace the full spectrum of perspectives and life experiences. To that end, we welcome students, staff and faculty members of every gender, race, religion, sexual orientation, socioeconomic status and gender identity.

Diversity, Equity and Inclusion | College of the Holy Cross

I enjoyed learning about individuals whose gender and sexuality varies from the heteronormative gender categories in most Western societies. This text was used as a fundamental piece in understanding different expressions of gender and sexuality cross culturally, through an anthropology course focused on the distinction between gender, sexuality, and socially constructed roles attributed to ...

Women, Gender, and Religion

Sex differences in religion can be classified as either "internal" or "external". Internal religious issues are studied from the perspective of a given religion, and might include religious beliefs and practices about the roles and rights of men and women in government, education and worship; beliefs about the sex or gender of deities and religious figures; and beliefs about the origin and ...

Gender and religion - Wikipedia

Gender Diversity Means: By the term gender diversity, we mean increasing diversity awareness and taking a close look at the different ranges of variations we have in gender among children, teens, adults and older people.. This is usually done with awareness, building a better community, improving the overall well-being of such people by using the right identities and the expressions.
