Starting a new position in a new company can often seem overwhelming, with lots of new faces, information, and policies to learn. But providing your new hires with an employee handbook early on in their employment (think: first day) is a great way to make sure that the employee has all of the necessary information and also has a resource to constantly refer back to if they have any questions.

How to Write an Employee Handbook [Examples - Venngage

GovCMS is an open source web content management system hosted on the public cloud. Agencies using GovCMS are able to create and manage unclassified websites cost effectively, in compliance with Australian government standards.
