Ink and Bone sounds pretty cool if you love books: I mean, we're talking about a giant library that holds all of the books ever written in the world for thousands of years. But the book isn't about the delights of a huge repository of books; the library is essentially just another symbol of oppression and consolidation of control over people.

### **Ink and Bone (Audiobook) by Rachel Caine | Audible.com**

In Ink and Bone, the legendary Great Library of Alexandria never burned, and triggered the preservation of millions of now-lost works...which in this reality has led to complications, and a dangerous kind of utopia. So what kind of books influenced me to create that strange new, yet also ancient, world? Fahrenheit 451: A Novel
