Localism And Centralism In Europe

Differences in national-local relations also have direct implications for patterns of policy-making at the local level. This book examines the legal and political bases of relationships between national and local government in Britain, France, Norway, Sweden, Denmark, Italy, and Spain, and assesses the causes and consequences of differences in such relationships.

Greece, while described as the 'cradle of Western democracy', remains to be one of the most centralist state in Europe. This central governance is mirrored in Greece's percentage of local expenditure in GDP which remains the lowest in Europe and in the restricted functions of local government. Centralism remains to be perceived as necessary in order to sustain national unity and ...
