let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Logramos Test Preparation Guide

In test construction an over-arching goal of test developers is content validity. Content validity is achieved when a test fully covers a representative sample of the domain it is intended to measure. The content and process specifications of Logramos mirror the content specifications of Forms E and F of the
