Repair Manual

The Piaggio Fly's structure is safe and robust, made from a single tube with high strength pressed steel plates. The 12-inch wheels come with tyres with a generous section of 120/70 while the brake system consists of a 220-mm disc up front and a 140-mm drum at the rear. The engine, with CVT with torque server,

The Fly scooters are well featured with enclosed storage areas, quality and powerful motors and front disc brakes. The inclusion of a proper glove box is small but valued detail that separates the Fly from quite a few competitors. Owner's comments: "LOVE the Fly 50! Handles very nicely, even on gravel.
