A language is a structured system of communication used by humans. Languages can be based on speech and gesture (spoken language), sign, or writing. The structure of language is its grammar and the free components are its vocabulary. Many languages, including the most widely-spoken ones, have writing systems that enable sounds or signs to be recorded for later reactivation.

Ewing argued that it was offensive to Scots to argue that an English region had the same status as an 'ancient nation' such as Scotland. Ecclesiastical courts had exclusive jurisdiction over matters such as marriage, contracts made on oath, inheritance and legitimacy.: The Stewarts also adopted major innovations in continental warfare, such as longer pikes and the extensive use of artillery.
