Rediscovering Values: On Wall Street, Main Street, and ...

Rediscovering Values is a book that says America has lost its way, and trying the same old ways and doing the same old things will not work, until the country returns to core values, such as the worth and importance of individuals. Wallis has long been viewed as a prophet by some and crank by others.

Rediscovering Values: On Wall Street, Main Street, and ...

In "Rediscovering Values: A Moral Compass for the New Economy", Wallis tackles the issues of the economy during this Great Recession. It is a refreshing, hopeful, and important book. In the first part of the book, Wallis examines how we arrived at this difficult time in our economy.
