The Beatles: The Collection - Wikipedia

Sheet music is a handwritten or printed form of musical notation that uses musical symbols to indicate the pitches, rhythms, or chords of a song or instrumental musical piece. Like its analogs – printed books or pamphlets in English, Arabic, or other languages – the medium of sheet music typically is paper (or, in earlier centuries, papyrus or parchment).

"Get Back" was going to be the title of the album and the documentary film about making it. The Beatles stopped touring in 1966 and were worn thin by 1968, but they rekindled their passion for performance after shooting the "Hey Jude" promotional film in September that year before a live audience. Energized by the effort, they agreed to the documentary; the concept was The Beatles "getting back ...
