Chiropractors tend to earn more as they build a client base and become owners of, or partners in, a practice. Most chiropractors work full time. Chiropractors may work in the evenings or on weekends to accommodate patients. Some chiropractors travel to patients' homes to give treatment. Self-employed chiropractors set their own hours.

Chiropractors : Occupational Outlook Handbook: : U.S ...

SECTION 40-9-10. Definitions. As used in this chapter: (a) "Chiropractic" is defined as that science and art which utilizes the inherent recuperative powers of the body and deals with the relationship between the nervous system and the spinal column, including its immediate articulations and the role of this relationship in the restoration and maintenance of health.
