Just exercise just what we give under as skillfully as review **the library at night alberto manguel** what you past to read!

Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

The Library At Night Alberto

The Library at Night is my Bible, Quran and Vedic guide on the aesthetics of this somewhat odd institution called the library. Odd because the concept of a warehouse filled with printed volumes available for general consultation is a rather late development in European civilisation, and odd because it is a concept that seems to have run its course as that civilisation becomes more technological.

The Library at Night by Alberto Manguel - Goodreads

"The Library at Night is a pleasant journey across times and places, Manguel exploring the history of book-collections and repositories and the people behind them, and the books in them.

The Library at Night | Alberto Manguel

The Library that wanted to be the storehouse for the memory of the world was not able to secure for us the memory of itself. Its exterior is lost to us, but its power as a symbol, imagination-tease and cautionary tale still lingers. Manguel's personal library, that inspired him to write The Library at Night.

...

"Alberto Manguel, that great scholar of books and reading, charms in this new book, The Library at Night, a guided tour of the history of libraries, both public and private. Manguel draws from the construction of his personal library at his home in France, seducing the reader with that image of the reader engrossed in a book, darkness all around, light only on the page.

The Library at Night revels in the physical pleasure of drifting and dipping through the Gutenberg galaxy of ink-on-paper books."-Boyd Tonkin interview with Alberto Manguel, The Independent "Books jump out of their jackets when Manguel opens them and dance in delight as they make contact with his ingenious, voluminous brain.

The Library at Night : Alberto Manguel : 9780300151305

The Library at Night, fortunately, is more than a tour of the microcosm contained in Manguel's converted barn. Its fondness for leathery bindings and its fussy annoyance about the 'evil white scabs' of price-stickers slimily glued to book jackets soon give way to a crusading defence of the library as a mental sanctuary, a repository of memory, the only kind of home that
