Apparently this stitch pattern was used in Shetland lace as a border and it originally meant “Old Shell”, which makes a bit more sense, since shale is a very flat type of rock that has many layers, but no undulations. I learned this from the book The Magic of Shetland Lace Knitting by Elizabeth Lovick.

When activities like this were outlawed in England in 1835, the English Bulldog was bred down in size, resulting in the Toy Bulldog. During the Industrial Revolution, these Toy Bulldogs were brought to France by English lace workers, and the French immediately took a liking to the little dog. So, they began to import more and more of the breed.
