How To Create An Effective Mind Map For Your Book

After reading this book and experimenting with Mind Mapping myself, I do believe that our usual writing system does not enable our brains to function effectively and Mind Mapping is a major improvement over it. Mind Mapping is based on a few basic principles summarized as follows:*

- Represent concepts with keywords*
- Make associations*
- Organize into hierarchy*
- Visualize concepts using images*
- Stimulate your brain with colors and symbols*
- Order and emphasize according to importance
