The Scots Law Of Succession

Inheritance law (also known as succession law) determines what happens to somebody's property and possessions when they die. We are considering options on how the law covering inheritance rules in Scotland could be made fairer and to better reflect changes in society and family structures. We published a consultation on the law of succession in February 2019. This closed on 10 May and we are now reviewing responses to this.

The Jacobite succession is the line through which Jacobites believed that the crowns of England, Scotland, and Ireland

should have descended, applying primogeniture, since the deposition of James II and VII in 1688 and his death in 1701. It is in opposition to the line of succession to the British throne in law since that time.. Excluded from the succession by law because of their Roman ...

Jacobite succession - Wikipedia

This is a people who have been either heir apparent or heir presumptive to the Kingdom of Scotland, according to the rules of cognatic primogeniture, except at times when other forms of inheritance were specified, for example from 1371 to 1542 when the succession was limited to agnatic primogeniture by Act of Parliament. Females are included in the list where appropriate; however, although the Crown could pass through the female line, in the Early Middle Ages it is doubtful whether a queen regna

Succession - The Scottish Government

3.30 In Scotland, under the current law, the rights of a spouse or civil partner are given priority over a cohabitant. The prior and legal rights of a spouse or civil partner are firstly deducted from the deceased's intestate estate and any award to the cohabitant under section 29 can only be made out of the balance.
