### Google Translate

Translators do the writing Translators work with the written word, converting text from a source language into a target language. This is far more than replacing one word with another. The translator must also convey the style, tone, and intent of the text, while taking into account differences of culture and dialect.

### Translators do the writing - American Translators Association

A novel of tremendous scope and beauty, The Translator tells of the relationship between an exiled Russian poet and his American translator during the Cuban missile crisis, a time when a writer's words -- especially forbidden ones -- could be powerful enough to change the course of history.

### The Translator by John Crowley - Goodreads

The translator of the Bible into German, Martin Luther (1483-1546), is credited with being the first European to posit that one translates satisfactorily only toward his own language. L.G. Kelly states that since Johann Gottfried Herder in the 18th century, "it has been axiomatic" that one translates only toward his own language.

### Translation - Wikipedia

This fall, Mona Kareem, who works in Arabic and English, is Princeton's translator-in-residence, supported jointly by PIIRS and the Humanities Council. "For someone who writes, there is no better way to learn how to write than to translate, in my opinion," Lahiri said.
