### Use Your Words To Change

Collaborate for free with an online version of Microsoft Word. Save documents in OneDrive. Share them with others and work together at the same time.

### Microsoft Word - Work together on Word documents

To manage your notifications from the Lock Screen or Notification Center: Swipe left over an alert or group of alerts. Tap Options, then select from these options: Mute for 1 Hour; Mute for Today; View Settings; Turn Off; You can also tap View Settings to change your alert styles or alert settings for a specific app.

### Use notifications on your iPhone, iPad, and iPod touch

Swipe left on your current Apple ID. It's the first email address in the list, with the words "Apple ID" in small text just below it. On some devices, you may need to tap a "-" next to the email address rather than swiping left. If your Apple ID ends in @mac.com, @me.com, or @iCloud.com, you will not be able to swipe left.

Change.org will automatically notify your decision maker when a petition is set up and when it gets signatures. So it's important to include the right email address. To find it you can: Use internet searches and check inside PDF documents like conference presentations or board papers. Use the company email convention and try variations.

### Create Your Petition — Change.org

"I am" is the single most important phrase you will ever speak. That's because what follows these two words dictates who you are. It becomes even more profound when you re-define yourself repeatedly throughout the day: "I am confident," "I am beautiful," "I am loved" are just a few of the endless declarations you can make to replenish your well-being and re-center your soul.

### 21 Mantras That Will Change Your Life | HuffPost Contributor

This is especially true for the password for your email account. If you've used the same password across different accounts, cyber criminals only need one password to access all your accounts. Always use a strong and separate password for your email; that is, a password that you don't use for any of your other accounts, either at home or at work.
